References to “**Customer**” in this Support Agreement shall include Customer’s Affiliates located in the covered country. An “**Affiliate**” is defined as any entity which directly or indirectly controls, is controlled by, or is under common control with the party. An entity is considered to control another entity if it owns, directly or indirectly, more than fifty percent (50%) of the total voting securities or other such similar voting rights. Grass Valley Affiliates shall include legal entities with “Grass Valley”, “Quantel”, “Snell”, or “Miranda” in their legal entity name or other Affiliates as may be included in the Grass Valley group over time.

Grass Valley has no obligation to provide support, (i) unless the Customer has duly purchased a branded or customized Support Agreement as provided herein or (ii) the Customer purchases support services on a time and materials basis quoted by Grass Valley at the time of purchase (“Support Professional Services”) at Grass Valley’s then quoted daily rates. Support Professional Services will be subject to scheduling based on availability of Grass Valley’s resources.
