The Opportunity

Within the international Supply Chain department in Breda, the Netherlands, the Shipping Coordinator/Transport Officer is responsible for the creation of import and export customs documentation including IPR, ATA Carnet and ATR. In a cross-functional team, you are the pivot in the logistics process, and this requires a large dose of responsibility and a wide range of tasks. You will be responsible for logistics in the EMEA region, in particular in The Netherlands, Germany and United Kingdom.

What you Have to Offer

- At least 3 years of professional experience in international logistics and customs compliance.
- Knowledge of import and export processes (primarily airfreight / courier) including overseeing customs audits and other regulatory requirements
- SAP experience ideal but full training will be provided
- Highly effective communication skills, both verbal and written. Fluent in English, German and Dutch
- Decision maker and problem solver
- Deadline-oriented
- Able to work independently as well as part of a team both locally and remotely

What we offer:

A challenging job goes hand-in-hand with excellent remuneration. Besides a market-based salary, we offer:

- 27 vacation days
- 8% holiday allowance
- Annual bonus
- Flexible working hours

We hope that you're excited by all the possibilities that come with working at Grass Valley. Please ensure to include a cover letter stating why you're the perfect fit for this role!
