

## Timothy Shoulders

*President*

Tim was appointed President of Grass Valley in January 2018 and is responsible for all worldwide operations. Tim comes to Grass Valley following a successful career in the Belden Broadcast and AV business as well as the Industrial Cable business. He leverages his varied experiences to deliver increased value for customers and partners.

Tim joined Belden in 2011 and held roles in various business units starting with the Enterprise Connectivity platform. He led the global Broadcast AV Cable business as vice president/general manager and, most recently, served in the same role for the global Industrial Cable business. Throughout his time with Belden, he's led numerous M & A projects, integrations and cross-business initiatives.

Before joining Belden, Tim developed his finance and accounting background managing finance functions and forecasting/reporting for large, diverse businesses.

Tim holds a Bachelor of Arts in Finance and Accounting from Ball State University - Miller College of Business.

### **About Grass Valley**

Grass Valley is a trusted partner completely focused on empowering customers to create, control and connect content wherever, however and whenever it is consumed. In this ever-changing media landscape, content remains the most important element. Many of our customers are faced with the need to create and support new workflows while continuing to operate their legacy workflows, simultaneously broadcasting through traditional channels, Over-The-Top platforms, and Video-On-Demand as well as to tablets, PCs, and mobile devices.

We provide the innovative tools and expertise to help customers improve the efficiency of their operations while telling better stories to attract and keep viewers. With Grass Valley's integrated solutions that enable flexibility, efficiency, cost-effectiveness, quality and scalability, broadcasters and content creators have what they need to sustain their businesses. Headquartered in Montreal, Grass Valley has been in the broadcast business for nearly 60 years and is part of St. Louis-based Belden Inc.
