

# REXCEED W15LT

## (Japan Only)

### EDIUS X Workgroup Turnkey 4K UHD/4K DCI Nonlinear Editing Workstation

The REXCEED W15LT, an entry-level laptop workstation for 1080p editing, will meet the expectations of even the most demanding workflows. This model comes with the new EDIUS X nonlinear editing software, which enables background rendering. This turnkey system is now available for Japan.

EDIUS turnkey systems are positioned as a one-stop solution from the Grass Valley factory that provide the best out-of-box experience and peace of mind to users, without software conflicts or hardware glitches. Grass Valley also provides optional commissioning, training and support beyond the initial 15-month (defects in materials and workmanship) warranty period.
