GRASS VALLEY DOES NOT WARRANT THAT THE SAAS SERVICES OR THE SERVICE LEVEL SUPPORT WILL MEET CUSTOMER'S REQUIREMENTS OR THAT THE SAAS SERVICES OR SERVICE LEVEL SUPPORT WILL BE ERROR-FREE, FREE OF DOWNTIME, OR THAT DEFECTS IN THE SAAS SERVICES WILL BE CORRECTED. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY GRASS VALLEY OR ITS AUTHORIZED REPRESENTATIVES SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF GRASS VALLEY'S OBLIGATIONS UNDER THIS AGREEMENT. CUSTOMER EXPRESSLY AGREES AND ACKNOWLEDGES THAT USE OF THE SAAS SERVICES AND ANY OTHER SERVICES PROVIDED BY GRASS VALLEY HEREUNDER IS AT CUSTOMER'S SOLE RISK.

6.2 CUSTOMER ACKNOWLEDGES AND AGREES THAT GRASS VALLEY AND ITS VENDORS AND LICENSORS DO NOT OPERATE OR CONTROL THE INTERNET AND THAT (A) VIRUSES, WORMS, TROJAN HORSES, OR OTHER UNDESIRABLE DATA OR SOFTWARE, OR (B) UNAUTHORIZED THIRD PARTIES (E.G., HACKERS), MAY ATTEMPT TO OBTAIN ACCESS TO AND DAMAGE CUSTOMER DATA OR CUSTOMER'S WEBSITES, COMPUTERS, OR NETWORKS (INCLUDING CUSTOMER DEVICES). GRASS VALLEY SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY SUCH ACTIVITIES, NOR SHALL ANY SUCH ACTIVITIES CONSTITUTE A BREACH BY GRASS VALLEY OF ITS OBLIGATIONS OF CONFIDENTIALITY HEREUNDER.

6.3 Customer agrees that its purchases of SaaS Services are not contingent on the delivery of any future functionality or features, or dependent on any oral or written public comments made by Grass Valley regarding future functionality or features.

7. **Ordering Procedures, Fees and Payment.**

7.1 Ordering Procedures.

7.1.1 Orders for Platform Access; Renewal. Customer shall be required to purchase Platform Access to use the Consumption and Subscriptions during the applicable Platform Access Period. Customer issues an automatically renewable and non-refundable Order for Platform Access by signing this Agreement (which incorporates the **Schedule A**), by issuing a purchase order against a Proposal, by receiving access to and Security Credentials from Grass Valley to the Account, or by permitting automatic renewal after receiving written notice of any modified or additional Orders as may be issued pursuant hereto. Such Order for Platform Access shall automatically renew for an additional Platform Access Period unless either Party provides written notice of non-renewal to the other Party no less than thirty (30) calendar days prior to the expiration of the then-current Platform Access Period.

7.1.2 Orders for Consumption. Customer automatically issues a non-refundable Order for Consumption for the relevant Application Workload when any User Uses such Application Workload before Ordering any Subscription for such Application Workload. Such Order for the Consumption may be evidenced, in part, by Grass Valley's usage records.

7.1.3 Orders for Subscriptions; Renewal. To place an Order for a Subscription, Customer shall perform the procedures set forth below in this Section. With respect to the relevant Application, the Account Resource will enable Customer to select such Application for a Subscription and also specify certain settings for the selected Application, including: (a) the quantity of Application Workloads for such Subscription; (b) a recurring or non-recurring setting for such Subscription; (c) such Subscription's start date (e.g., the first day of the specified calendar month); and (d) in the case of a non-recurring Subscription, such Subscription's end date (e.g., the last day of the specified calendar month). The Subscription's specified start date will be the date of the Order. At the end of the calendar month following the start date of any recurring Subscription, such Subscription will automatically extend for an additional calendar month unless Customer cancels such Subscription using the Account Resource before the additional calendar month begins. Any non-recurring Subscription will end on the end date specified for such Subscription. Once the start date for any Subscription begins, Customer shall have no right to cancel such Subscription. Except for the then-current month of any Subscription, Customer may use the Account Resource to change certain settings applicable to the subsequent month of such Subscription. If Customer submits an Order change to cancel any Application or Application Workload having a Subscription scheduled to start the calendar month following the date of such submission, Grass Valley shall not charge Customer for the Subscription Fee corresponding to such cancelled Application or Application Workload, as the case may be.

7.1.4 Nature of Orders. Each Order shall be binding and non-refundable. Except for Customer's rights to change Orders for Subscriptions in accordance with **Section 7.1.3**, Customer shall have no right to cancel, terminate or amend any Order except as agreed in a writing signed by both Parties.

7.2 Fees, Invoicing and Payment. On the Effective Date, Customer (a) has Ordered the Platform Access with the obligation to pay the Platform Access Fee, and (b) the Platform Access Fee shall be due by Customer on the Effective Date. The Platform Access Fee shall be automatically invoiced annually thereafter upon renewal, subject to the non-renewal terms of **Section 7.1.1**. The Consumption Fees shall accrue and be payable upon Use of any Application Workload by Customer and shall be due within thirty (30) calendar days after the date of Grass Valley's invoice. In connection with each such invoice, Grass Valley shall provide Customer with Consumption statistics within such invoice, within the Account Resource or otherwise within a report provided by Grass Valley. Customer shall prepay the Subscription Fees on the start date of the applicable Subscription Period pursuant to the applicable Order by Customer, and the Subscription Fees shall be automatically invoiced by Grass Valley on such start date. All Fees paid hereunder are non-refundable. All past due amounts shall bear interest from the due date at the lesser of (i) one and one-half percent (1.5%) per month, or (ii) the maximum rate allowed by law.

7.3 Determination of Consumption Fees. Consumption Fees shall be determined based on Application Workloads that, when Used, have the Status of running (e.g., on). For each Application Workload used on a Consumption basis, the Consumption Fee shall be calculated by multiplying together the following: the Token Price, the applicable Token Rate, and the Consumption Time for such Application Workload. By way of a non-limiting example, if the Token Price is One Dollar (\$1.0), the Token Rate is two (2) Tokens per hour, and Customer uses (3) hours of Consumption Time of two (2) Application Workloads of an Application, the Consumption Fee would be Twelve Dollars (\$12).

7.4 Determination of Subscription Fees. For each Application Workload used through a Subscription, the Subscription Fee shall be calculated by multiplying the Token Price by the quantity of Tokens specified in the Subscription column of **Schedule A** for the relevant Application. By way of a non-limiting example, if Customer were to Order a Subscription for four (4) Application Workloads of a particular Application having a Token quantity of twenty (20) and the Token Price is One Dollar (\$1.0), the Subscription Fee for such Subscription would be Eighty Dollars (\$80) for the remainder of the calendar month following the Order date. If any Subscription begins after the first of any calendar month, Customer will owe the full Subscription Fee for such month. The Subscription Fee in effect on the date of the Order for the relevant Application shall remain fixed for such Application for the duration of the

Subscription Period established as of such Order date. If Customer subsequently changes such Order (including changing the quantity of the Application Workloads), the Subscription Fee related to the changed Order may differ from the original Subscription Fee based on any Fee changes effectuated by Grass Valley in accordance with **Section 7.5**.

7.5 Fee Changes. Grass Valley may unilaterally increase either the Platform Access Fee, any Subscription Fee, the Consumption Fees, the Token Price and/or the Token Rates not more than one time per twelve (12) month period upon ninety (90) days prior notice to Customer. Grass Valley reserves the right, at any time, to decrease fees and/or to introduce new Applications with their own fee schedule. The Subscription Fees, Consumption Fees, Token Price and Token Rate for third party applications that may be available on the Platform are priced independently. For the purposes of this Section and notwithstanding **Section 12.1**, notice of any such Fee changes shall be effectively given to the Customer when such Fee changes are made available to the Customer by Grass Valley in the Platform, on its website at www.grassvalley.com or elsewhere. Customer shall be bound by, and deemed to have approved such changes unless Customer provides Grass Valley with written notice of non-renewal prior to the expiry of such ninety (90) day notice period.

7.6 Taxes. The fees, charges, or expenses under this Agreement do not include sales, use, property, excise, value-added, service, or other taxes, or any penalties or interest related to such taxes, now or hereafter levied by any federal, state, local, or other taxing authority relating to (a) any services rendered by Grass Valley, (b) the SaaS Services or its use; (c) the License granted hereunder; or (d) this Agreement (collectively, “**Taxes**”). In addition to the payments otherwise due under this Agreement, Customer shall pay all Taxes. If Grass Valley is required to collect and pay Taxes (except Taxes based on Grass Valley’s income), Grass Valley shall invoice Customer for such Taxes, and Customer shall pay such invoice in accordance with **Section 7.2** (Fees, Invoicing and Payment). Customer agrees to indemnify Grass Valley for and hold it harmless against any out of pocket costs, interest and penalties imposed upon or incurred by Grass Valley by reason of Customer’s failure to perform Customer’s obligations under this Agreement, including Customer’s obligations to pay Taxes under applicable laws.

8. **Term and Termination.**

8.1 Termination.

8.1.1 For Cause by Grass Valley. Grass Valley may terminate this Agreement by prior written notice to Customer, if Customer fails to perform any material term or condition of this Agreement, and does not cure such failure within thirty (30) calendar days after Customer’s receipt of written notice from Grass Valley particularly stating the default and Grass Valley’s intention to terminate. Notwithstanding the foregoing, Grass Valley may terminate this Agreement immediately upon written notice if Customer fails to comply with any of the following Sections of this Agreement: **Section 2** (License; Intellectual Property), **Section 3** (Limitations on License), **Section 4** (Customer Responsibilities), **Section 7** (Ordering Procedures, Fees and Payment), or **Section 11** (Confidentiality). Termination of this Agreement by Grass Valley shall, among other things, constitute termination of all licenses and rights granted hereunder by Grass Valley.

8.1.2 For Cause by Customer. Customer may terminate this Agreement by prior written notice to Grass Valley, if Grass Valley fails to perform any material term or condition of this Agreement, and does not cure such failure within thirty (30) calendar days after Grass Valley’s receipt of written notice from Customer particularly stating the default and Customer’s intention to terminate.

8.1.3 Termination for Convenience. Either Party may terminate this Agreement without cause by providing the other Party with no less than thirty (30) days’ advance written notice.

8.2 Effect of Termination. Upon the non-renewal, termination, or expiration of this Agreement for any reason (a) Customer’s License to the SaaS Services will automatically and immediately terminate, and Customer shall have no further right to access or use any SaaS Services or Technology; and (b) Customer’s access to the SaaS Services may be disabled by Grass Valley without notice. Termination shall not relieve Customer’s obligation to pay all fees that have accrued or are otherwise owed by Customer hereunder. Promptly upon the termination or expiration of this

Agreement for any reason, Customer shall immediately (i) cease its use of the SaaS Services and other Technology, (ii) uninstall and delete any portions of the Applications downloaded onto any Customer Devices, and (iii) return to Grass Valley, within ten (10) calendar days, all Grass Valley Confidential Information (or, at Grass Valley's option, erase or destroy all Grass Valley Confidential Information), and, on Grass Valley's request, promptly deliver to Grass Valley a written statement signed by an officer of Customer having sufficient authority and knowledge, certifying that access to the SaaS Services has ceased and all Grass Valley Confidential Information has been destroyed or erased in accordance with this **Section 8.2** (Effect of Termination). Termination of this Agreement shall be in addition to and not in limitation of any other rights and remedies to which either Party is or may become entitled.

8.3 Access to Customer Data. Provided that Customer has met all payment obligations under this Agreement, upon termination or expiration of this Agreement and upon Customer's written request, Grass Valley shall make commercially reasonable efforts to provide Customer with access to the Customer Data stored within the Platform (excluding certain configuration data) for a period not to exceed sixty (60) calendar days to permit Customer to download its Customer Data. Grass Valley reserves the right to purge and delete Customer Data, if any, in its possession if Customer fails to provide Grass Valley with a written request for such Customer Data within sixty (60) calendar days following the termination or expiration of this Agreement.

9. Limitation of Remedies and Liability.

9.1 Selection and Use of the SaaS Services. Customer accepts sole responsibility for (a) the selection of the SaaS Services to achieve Customer's intended results; (b) the use of the SaaS Services; (c) the results obtained from the SaaS Services and the use of those results; (d) lost or damaged Customer Data not directly caused by Grass Valley's breach of this Agreement; and (e) the adoption of procedures and safeguards (e.g., regular data backups) to prevent loss of or damage to Customer Data. Customer also accept sole responsibility for the selection and use of, and results obtained from, any other programs, programming, equipment, or services used with the SaaS Services, including the Customer Devices. Customer accepts sole responsibility for all loss, claim, liability, or damage, and related costs and expenses arising directly or indirectly out of or in any way related to Customer's own fault or negligence. This clause shall survive the Term of this Agreement.

9.2 CONSEQUENTIAL DAMAGE WAIVER. IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES (INCLUDING ANY DAMAGES ASSOCIATED WITH LOSS OF USE, INTERRUPTION OF BUSINESS, LOSS OF DATA, OR LOSS OF PROFITS

9.3 LIMITATION ON DAMAGES. IN NO EVENT SHALL GRASS VALLEY BE LIABLE FOR ANY DAMAGE OR AMOUNT ARISING FROM OR RELATING TO THIS AGREEMENT IN EXCESS OF THE TOTAL AMOUNT OF FEES PAID BY CUSTOMER IN THE TWELVE (12) MONTHS PRIOR TO THE EVENT GIVING RISE TO THE LIABILITY.

9.4 BASIS OF THE AGREEMENT. THE LIMITATIONS PROVIDED ABOVE IN THIS **SECTION 9** SHALL APPLY TO ANY CLAIMS OR DAMAGES ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT OR OTHERWISE, EVEN IF GRASS VALLEY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Customer acknowledges that Grass Valley has set its prices and entered into this Agreement in reliance upon the limitations of damages, waiver of consequential damages and disclaimers of warranties and damages set forth in this Agreement, and that the same form an essential basis of the bargain between Customer and Grass Valley. Customer agrees that the limitations, exclusions, or disclaimers in this Agreement will survive and apply even if the exclusive remedies set forth in this Agreement are found to have failed of their essential purpose.

10. Indemnification.

10.1 Indemnification by Grass Valley. Grass Valley agrees to defend Customer in a lawsuit or other judicial action, and pay the amount of any adverse final judgment (or settlement to which Grass Valley consents) from such lawsuit or judicial action, asserted by any third party against Customer that the SaaS Services infringe any patent, copyright, or trademark issued as of the Effective Date and enforceable in the United States (each, a “**Claim**”); provided, that Customer: (a) promptly notifies Grass Valley in writing of the Claim; (b) gives Grass Valley sole control over the defense and settlement, if any, of the Claim; (c) provides Grass Valley with full cooperation and assistance in the defense of the Claim; and (d) fully complies with Grass Valley’s direction to cease any use of the potentially infringing the SaaS Services. In addition to the obligations set forth above, if Grass Valley receives information concerning a Claim, Grass Valley may, at its expense, but without obligation to do so, undertake further actions, such as: (i) procuring for Customer such patent, copyright, or trademark right(s) or license(s) as may be necessary to address the Claim; or (ii) replacing or modifying the SaaS Services to make them non-infringing. In the event Grass Valley is, in Grass Valley’s sole discretion, unable to procure the right to continued Use of the allegedly infringing SaaS Services or replace or modify the SaaS Services to make them non-infringing as set forth above, Grass Valley may terminate this Agreement in whole or in part.

10.2 Limitations. The obligations set forth in **Section 10.1** (Indemnification by Grass Valley) shall not apply, and Grass Valley shall have no obligations with respect to, any Claim or infringement arising out of: (a) the use of the SaaS Services other than in strict accordance with this Agreement and any applicable documentation or instructions supplied by Grass Valley; (b) any alteration, modification, or revision of the SaaS Services not performed by Grass Valley; (c) the combination of the SaaS Services with materials not supplied by Grass Valley (including the Customer Devices and any Third Party Materials), where the alleged infringement would not exist without such combination; (d) information, materials or specifications provided by or on behalf of Customer, any User or any other person or entity other than Grass Valley or its Affiliates; or (e) Customer Data or Personal Data provided by any person or entity other than Grass Valley or its Affiliates (subsections (a) through (e), collectively, “**IP Infringement Exceptions**”). In the event that Grass Valley is required to defend a lawsuit or other judicial action pursuant to **Section 10.1** (Indemnification by Grass Valley) above and such lawsuit or other judicial action includes allegations with respect to non-Grass Valley products (including third party materials), then Customer shall retain, at Customer’s sole expense, separate counsel to defend against such allegations, and agree to reimburse Grass Valley for any and all attorney’s fees and costs incurred by Grass Valley with respect to defending against such allegations. Moreover, Grass Valley and its suppliers shall have no liability for any intellectual property infringement claim (including any Claim) based on Customer’s use, sale, offer for sale, information, or other disposition or promotion of the SaaS Services after it has received Grass Valley’ notice that Customer should cease use of the SaaS Services due to such claim. Customer shall indemnify and defend Grass Valley Indemnitees (defined below) from and against all Losses (defined below) incurred due to Customer’s continued use of the allegedly infringing SaaS Services after Grass Valley provides such notice. **THE PROVISIONS OF SECTION 10.1 (INDEMNIFICATION BY GRASS VALLEY) STATE GRASS VALLEY’S ENTIRE LIABILITY AND CUSTOMER’S SOLE AND EXCLUSIVE REMEDIES WITH RESPECT TO ANY CLAIM OR OTHER ALLEGATION INVOLVING INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS.**

10.3 Indemnification by Customer. At Customer’s expense, Customer agrees to indemnify, defend and hold harmless Grass Valley, its Affiliates and their respective suppliers, licensors, employees, directors, officers, subcontractors, agents, and other members of their workforce (collectively, “**Grass Valley Indemnitees**”), against all liability, damages, losses, lost profits, fines, penalties, costs and expenses (including reasonable attorneys’ fees and expenses) (collectively, “**Losses**”) relating to or arising from: (a) any damage to, impairment of or loss of any software, hardware, computer systems or data of Grass Valley Indemnitees or others caused by unauthorized access to any Technology as a result of any act or omission of Customer, any Associate or any User; or (b) any third party claim relating to or in connection with (i) any Customer Data or any Personal Data provided by any person or entity other than Grass Valley or its Affiliates, including image, likeness, video or voice data collected by any User through use of the SaaS Services; (ii) any of the IP Infringement Exceptions, (iii) any claim by any Associate or other third party based

on any error or defect in any SaaS Services, (iv) any Associate's or User's breach of the SaaS EULA or use of any Technology in a manner that is prohibited by or inconsistent with the terms and conditions of this Agreement, (v) any breach of this Agreement by Customer or any Users, employees, directors, officers, subcontractors, agents and other members of Customer's workforce, or (vi) any negligence or wrongful acts or omissions by Customer and any Users. Customer's obligation to indemnify Grass Valley Indemnitees shall survive the expiration or termination of this Agreement for any reason.

11. Confidentiality.

11.1 Confidential Information. "**Confidential Information**" means, with respect to a Party hereto, all information or material which the Party identifies in writing as confidential or is received under circumstances reasonably interpreted as imposing an obligation of confidentiality. Confidential Information of Grass Valley includes the terms of this Agreement, the technical, business and financial information of Grass Valley and its Affiliates, the services provided pursuant to this Agreement (including the SaaS Services and the Service Level Support), the Documentation, and the other Technology, together with all trade secrets related thereto, expressed therein or implemented thereby, including source code, algorithms, software logic, software design, software architecture, graphical layout, and data processing methods. Each Party's Confidential Information shall remain the sole and exclusive property of that Party. Neither Party shall have any obligation under **Section 11.2** with respect to any portion of the Confidential Information that: (a) is or becomes publicly known by any means other than an act or omission of a receiving Party; provided, however, that information containing a combination of multiple pieces of information shall not be deemed to be publicly known merely because one or more of such pieces is in the public domain separate from such combination; (b) was possessed by the receiving Party before receipt from the disclosing Party, as evidenced by documentation existing before the date of such receipt, (c) is provided to the receiving Party by a third party who has the legal right to do so without breaching a duty owed to the disclosing Party; (d) is independently created and developed by the receiving Party without reference to information of the other Party; or (e) is required to be disclosed by governmental regulation or court order, provided that the receiving Party shall provide the disclosing Party with sufficient advance, written notice to allow the disclosing Party to seek a protective order or to contest any such court order.

11.2 Protection of Confidential Information. Each Party recognizes the importance of the other's Confidential Information and shall maintain the Confidential Information of the other Party in strict confidence. A Party receiving Confidential Information from the other Party shall not, directly or indirectly: (a) disclose the disclosing Party's Confidential Information to any third party except to the extent required by applicable law; provided, however, that Customer may disclose SaaS Services information and Account information to Associates for purposes of, and in accordance with the terms and conditions of, this Agreement; or (b) use or implement the disclosing Party's Confidential Information for any purpose other than to the extent necessary to exercise the receiving Party's rights or perform its obligations in accordance with this Agreement. The receiving Party shall use all reasonable diligence to prevent the unauthorized use or disclosure of Confidential Information received from the disclosing Party. For the avoidance of doubt, **Section 11** will survive termination or expiration of this Agreement.

12. Miscellaneous.

All notices, demands, or consents required to be given in writing under this Agreement will be in writing and will be deemed given (a) when delivered personally, (b) three (3) calendar days after deposit in the mail (certified or registered mail), (c) one (1) calendar day after being sent by overnight courier, to the receiving Party at the address set forth above or at such other address given by either Party to the other in writing, or (d) upon delivery if sent by electronic mail, to the electronic mail address most recently provided to such party or such other electronic mail address as may be designated in writing by such party. Notwithstanding the foregoing, if any notice related to this Agreement involves or relates to a legal claim, threat or allegation, breach of contract or any other legal action, threatened or actual, the Party providing such notice will deliver such notice to the other Party via personal delivery, nationally recognized courier service, or U.S. mail, by registered or certified mail, return receipt requested.

12.2 Entire Agreement. This Agreement constitutes the entire agreement between the Parties in connection with the subject matter hereof and supersedes all prior and contemporaneous agreements, understandings, negotiations and discussions, whether oral or written, of the Parties, and there are no warranties, representations, or agreements between the Parties in connection with the subject matter hereof except as specifically set forth or referred to herein. In the event of any conflict between the body of this Agreement and any Schedules, the terms and provisions in the body of this Agreement shall control and prevail.

12.3 Force Majeure. Any delays in, or failure to perform, any provision of this Agreement (other than for the payment of amounts due hereunder) caused by acts, omissions, events, causes or conditions beyond either Party's reasonable control (including acts of God, third-party nonperformance, failure of or defects and errors in third party software or hardware, acts of governmental entities, civil disobedience or insurrection, lock-outs, freight embargoes, acts of civil or military authorities, terrorism, cyberattacks, fires, epidemics, pandemics, floods, wars, riots, failure of public utilities, or interruption or failure of the Internet) shall not constitute such Party's breach of this Agreement and shall not give rise to any claim for damages, and the time for performance of such provision, if any, shall be deemed to be extended for a reasonable period of time at least equal to the duration of the conditions preventing performance.

12.4 Waiver, Amendment or Modification. No modification to this Agreement, nor any waiver of any rights, shall be effective unless agreed to in writing by both Parties. This Agreement will not be modified by any course of dealing, course of performance or usage of trade. The terms of this Agreement shall not be amended or changed by the terms of any purchase order or acknowledgement even though Grass Valley may have accepted or signed such documents. No failure or delay by either Party in exercising any right, power, or remedy with respect to any of its rights hereunder shall operate as a waiver thereof.

12.5 Governing Law and Jurisdiction.

12.5.1 Japan. If Customer's headquarters is located in Japan, the laws of Japan will apply to any Dispute (defined below).

12.5.2 Asia Pacific. If Customer's headquarters is located in the Asia Pacific region of the world, any Dispute arising out of or in connection with this Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration in Singapore in accordance with the Arbitration Rules of the Singapore International Arbitration Centre for the time being in force, which rules are deemed to be incorporated by reference in this clause. The tribunal shall consist of one arbitrator. The language of such arbitration shall be English.

12.5.3 UK and Europe. If Customer's headquarters is located in the UK or Europe, the construction, validity and performance of this Agreement (and any Dispute, claim or obligation under it, whether contractual or non-contractual) shall be governed by the laws of England and Wales, and the Parties irrevocably submit to the exclusive jurisdiction of the English courts. All such proceedings shall be conducted using the English language and, in the event that all or any part of this Agreement is translated, the English language version shall be the governing version.

12.5.4 US and Other Regions. If Customer's headquarters is located in the United States or in another country other than one of those identified above in this **Section 12.5**, (a) this Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any conflict of laws principles, (b) the courts of the State of California (state and federal) will have sole and exclusive jurisdiction over any and all Disputes arising from, under, out of, relating to, or in connection with this Agreement, (c) venue for any Dispute will be in the State Court in Los Angeles County, California or in the United States District Court for the Central District of California; provided, however, that, if the applicable Dispute involves or relates to intellectual property infringement or misappropriation by Customer, Grass Valley may optionally select jurisdiction and venue where Customer resides or where such infringement or misappropriation occurs, (d) the

Parties hereby waive all claims of immunity from the jurisdiction and venue established pursuant to this **Section 12.5.4**, and (e) the Parties will not assert as a defense lack of personal jurisdiction or forum non conveniens.

12.5.5 Disputes. The term “**Disputes**,” as used in this Agreement, will mean any dispute, controversy, claim, difference, lawsuit, legal action, or administrative, legal, or other proceeding arising from, under, out of, relating to, or in connection with this Agreement, its interpretation, the breach, termination, applicability or validity of this Agreement, any Technology, the actual or alleged infringement or misappropriation of any intellectual property of Grass Valley, or any other dispute arising out of or relating to the relationship between the Parties or either Party’s property or assets.

12.5.6 Language. Notwithstanding anything to the contrary in this Agreement, this Agreement, which is written in English, will be interpreted in the English language. In the event any translation of this Agreement into another language is made, the English language version of this Agreement will govern in case of any conflict.

12.5.7 Exclusions. The provisions of the United Nations Convention on the International Sale of Goods and the Uniform Computer Information Transactions Act, however designated, are excluded and shall not apply to this Agreement or any transactions hereunder.

12.6 Assignment. Customer may not sublicense, assign or transfer this Agreement or the SaaS Services. Any attempt by Customer to sublicense, assign or transfer this Agreement or any of its rights, duties or obligations hereunder is void. Grass Valley may assign this Agreement, in whole or in part, to any of its present or future Affiliates or to any third party or successor in interest in connection with a contractual assignment, merger, acquisition or sale of all or substantially of Grass Valley’s assets. This Agreement will be binding on the Parties and their respective successors and permitted assigns.

12.7 Relationship of the Parties. Customer is an independent contractor under this Agreement, and nothing herein shall be construed to create a partnership, joint venture, or agency relationship between the Parties hereto. Customer shall have no authority to enter into agreements of any kind on behalf of Grass Valley and shall have no power or authority to bind or obligate Grass Valley in any manner to any other third party.

12.8 Survival. The expiration or termination of this Agreement for any reason will not release either Party from any liabilities or obligations set forth herein which (a) the Parties have expressly stated will survive such expiration or termination, (b) remain to be performed, or (c) by their nature would be intended to be applicable following such expiration or termination.

12.9 Construction. The section headings in this Agreement are for convenience of reference only, will not be deemed to a part of this Agreement, and will not be referred to in connection with the construction or interpretation of this Agreement. Unless otherwise expressly stated, each Party acknowledges and agrees that: (a) the words “herein,” “hereof,” and “hereunder” and other words of similar import refer to sections of this Agreement as a whole and not to any particular section, subsection or other subpart of this Agreement, (b) the words “include,” “including,” “such as,” and “e.g.” shall not be construed as terms of limitation and shall, in all instances, be interpreted as meaning “including, but not limited to.”

Grass Valley may use Customer’s name in press releases, product brochures and financial reports to indicate that Customer is a customer of Grass Valley’s AMPP. The content of any press release using Customer’s name will be subject to Customer’s prior approval, which will not be unreasonably withheld.

12.11 Non-disparagement. 12.12 Counterparts. This Agreement may be executed simultaneously in two (2) or more counterparts, each of which will be deemed an original, but all of which together will constitute the same Agreement.

12.13 Electronic Signature. For purposes of this Agreement, a Party's electronic signature will be deemed its written signature, and its electronic signature will include any image that represents its representative's signature, including the representative's printed name displayed in standard or stylized format on an electronic document in PDF or other digital format. Each Party's electronic signature of this Agreement will be deemed, and will have the same force and effect as, the original, hand-written signing of this Agreement.
